

2024 Shrewsbury Parks and Recreation Shrewsbury Sharks Youth Swim Team Sponsorship

Each year, Shrewsbury Parks and Recreation delivers exciting and affordable programs, special events, and services to Shrewsbury and the surrounding communities. The success of our events and programs would not be possible without the support of our local businesses or “friends” of the department. Your generous support of the Shrewsbury Sharks Swim Team will help us to continue to offer this wonderful program to the kids in our community and also, highlight your business as a champion of parks and recreation!

By taking advantage of these exceptional advertisement and outreach opportunities, you become associated with fun, entertainment, and enjoyment of great experiences with the Shrewsbury Parks and Recreation Department. In addition, your sponsorship participation and support of the team is noticed by potential customers! Thank you for being a sponsor of the Shrewsbury Sharks Youth Swim Team for 2024! We appreciate your support!
